

To all our supporters and friends,

With the tax/financial year ending soon and budgets being planned for the coming year, did you know that your company can receive a tax break for making a donation to Sunshine Centre Association? Not only will your contribution make a huge difference in the lives of our children with disabilities, but it will also provide you with some tax relief.

Our B-BBEE accredited beneficiaries will also assist you in reaching your B-BBEE target. We are a registered Public Benefit Organisation (PBO) and for every donation we will provide you with an 18A tax deductible receipt.

There's still time for you to make a difference.
